

SANA BURNEY

Visual Artist & Art Educator

Lancashire, UK | +44 (0)7593 798141 | sanaburney.sb@gmail.com | www.sanaburney.com

PROFILE

Visual artist and art educator based in Lancashire, UK. My practice explores colonial and postcolonial histories, identity, belonging, social inequality and cultural memory through collage, mixed media, printmaking and public/site-responsive approaches. I am particularly interested in how art can activate public spaces and bring different histories and perspectives into visibility.

SELECTED PUBLIC ART & PARTICIPATORY PROJECTS

2021	Hanover Project mural • University of Central Lancashire, Preston, UK Collaborative mural project, Learning in-and-within relation (after Edouard Glissant), with Jade Montserrat.
2017	Creative Crosswalks (Zebra Crossings) • Indus Valley School of Art and Architecture, Karachi, Pakistan Conducted a community-facing participatory project with Foundation programme students, developing art/design interventions in an urban context.
2017	Reel On Hai • Karachi Biennale, Karachi, Pakistan Worked on and launched two reel artworks as part of the Karachi Biennale public outreach programme.
2016	FTC Flyover Beautification • Sindh Government, Karachi, Pakistan Head & Artist for a large-scale public-art project. Led the artistic direction of the flyover beautification and incorporated illuminated columns into the visual intervention; technical lighting installation was undertaken by specialist electricians.
